# Supporting Our Veterans

Congratulations to Operation Troop Appreciation (OTA), a National Charity headquartered in West Mifflin, PA, which was once again named one of the 10 Best Charities In America for 2023 as all members of OTA are Volunteers with over 95% of all funds donated going directly to support local Veterans and Active Military Members. American Legion Riders Chapter 712 (Joe Jones, LeighAnn Castanet, Ed Harmon, Pat Mostyn, John Dillon, John Caligiure, and Ed Very) took time out of their schedules during October to volunteer their services to move OTA into their new HQs in West Mifflin.

We have authorized the donation of \$1900 in monthly payments of \$100 for housing, training etc. for our homeless veterans.

*Our American Legion Auxiliary regularly visits our veteran patients at Southwestern Veterans Hospital to provide toiletries, clothing etc. to the patients. For patients that can leave their room, they will be entertained with Bingo with prizes.*
