

BLOTTO RULES

1. The Blotto is a 100% payout drawing with a maximum entry of \$1 per member per day.
2. Only Post 712 members with current dues are eligible to sign.
3. Members must be present to sign, but do not have to be present for the drawing.
4. Members can sign any time during the day or evening. Entries submitted before the drawing will be valid for that drawing. Entries submitted after the drawing will be for the next day's drawing.
5. The number will be pulled each day at 5 PM by the bartender with a Post 712 member as a witness.
6. If the Blotto is less than \$599 and a winning number is pulled, the winner will receive all the money collected. If a winning number is not pulled, all money collected will carry over to the next day.
7. If the Blotto equals or exceeds \$599 at the time of the drawing, the drawing automatically becomes a spin-off drawing. A number will be drawn until a winner is selected. The winner will receive \$599 and any money over \$599 will carry over to the next day.
